21 July 2022

Dear Mr Berisha,

The purpose of this letter is to inform you that on 19 July 2022, after the most careful consideration, the Home Secretary personally directed that you should be excluded from the United Kingdom on the grounds of criminality and corruption on the basis that your presence in the UK is not deemed conducive to the public good as a result of the assessment that you have clear links to organized crime groups and criminals who have presented a threat to public safety in Albania and in the UK and that you are willing to use these links to further your political ambitions, and the assessment that you have used your elected positions to engage in corruption and criminal behaviour to enrich yourself and your inner circle, in particular your former election adviser Damir Fazlic, whom you then protected when evidence of criminality emerged.

The decision was certified by the Home Secretary under Section 2C of the Special Immigration Appeals Commission Act 1997. The effect of this is that any review of your exclusion may, on application, be undertaken by the Special Immigration Appeals Commission (SIAC).

Travel to the United Kingdom

You should not attempt to travel to the United Kingdom as you will be refused entry. As you have been excluded from the United Kingdom by the Secretary of State, you are someone in respect of whom a carrier may be refused authority to carry to the UK under paragraph 14(e) of the Authority to Carry Scheme 2021¹. You should not attempt to travel to the United Kingdom, even for the purpose of transit.

In accordance with the Data Protection Act 2018 the Home Office treats all personal information in confidence. However, such information may be disclosed to other government departments, agencies, local authorities, the police, foreign governments and other bodies for immigration purposes or to enable them to perform their functions.
